## **INSURED**

## **INSURANCE PERIOD**

## **GEOGRAPHICAL AREA**

The insurance is valid worldwide, including in the USA and in the Russian Federation.

## **CONTENTS OF THE INSURANCE**

The insurance covers the insured person while on business travel, day and night.

## **MEDICAL EXPENSES ON JOURNEY**

The insurance covers necessary and reasonable costs for medical treatment and hospital care and also for treatment, medicines and aids prescribed by a registered doctor for the illness or the injury for which compensation is not obtainable elsewhere according to a statutory instrument, agreement, regulation or convention.

## **DENTAL TREATMENT COSTS**

The insurance covers costs for the temporary treatment of acute problems, regardless of their cause. With the exception of emergency treatment, If must approve the cost and the treatment before any treatment commences.

## **MEDICAL REPATRIATION**

The insurance covers necessary and reasonable additional costs in connection with repatriation on medical grounds of the sick or injured person or repatriation following death. It also covers additional costs for the journey home of an accompanying Insured. The need for the journey and the means of transport must be prescribed by the attending doctor at the place of residence and be approved by If Assistance and/or If.

If Assistance: Telephone +46 8 792 71 31, telefax number: +46 8 792 81 70, e-mail: [isos@if.se](mailto:isos@if.se).

In the case of hospitalization they will send a payment guarantee to the hospital.

The insurance covers necessary and reasonable documented additional costs for the outward and the return journey of two close relatives, together with their living expenses, if the Insured is kidnapped or suffers an illness or accident which is judged by the attending doctor at the place of residence to be life-threatening. The same applies in the event of death, when a funeral is held locally.
