

Act Alliance Resilience Award

2019

ACT Alliance's CoP on Disaster Risk Reduction and Climate Change Adaptation invites all ACT members to submit your organisation's good practice work on Resilience/DRR/CCA for the Resilience Award 2019

Every year the ACT Resilience Award wants to prompt Members to showcase their best-practices and promote cross-region learning on innovative resilience, DRR & CCA projects.

This year the ACT Resilience Award is linked to the Global Platform on Disaster Risk Reduction to be held in Geneva in May 2019.

The GPDRR will review the progress in the implementation of the Sendai Framework on DRR which was adopted in March 2015 in Japan. It is critical for ACT Alliance to be present in this forum.

By submitting your good practices you will help the ACT Alliance to position and advocate for the unique role of Faith Based Organisations (FBOs) in promoting resilience and locally-led DRR-work.

THE WINNING ORGANISATION

The winning organisation will be invited to Geneva, Switzerland, in May 2019 to participate in the Global Platform on DRR. Together we will brainstorm on how to best present the winning project within that context.

The selected project will be announced and published on the ACT Alliance website, and, if possible, in all publication materials used during the GPDRR.

HOW TO SUBMIT YOUR APPLICATION

To participate in the award, please, submit one 'good practice' case study by using the 'ACT Resilience Award Case study Template' to :

James Munpa at the ACT secretariat:
james.munpa@actalliance.org

FINANCIAL SUPPORT

If you are a southern ACT member and wish to receive financial support to participate in the GPDRR you can write a motivation letter explaining why you want to attend, what you will bring, and what you will do to share afterwards.

NEED MORE INFORMATION? WANT TO BECOME MEMBER OF ACT CoP DRR-CCA?

Contact **James Munpa** from the ACT secretariat: james.munpa@actalliance.org or **Jeroen Jurriens**, Community of Practice Chair: jeroen.jurriens@icco-cooperation.org

**IMPORTANT:
DEADLINE FOR SUBMISSIONS IS
22 FEBRUARY 2019**
