

Project Results Framework

Project Title:	SYR 261: Syria's Protracted Crisis: Building Pathways from Crisis to Resilience	Indicator	Target	Implementing Organisation	Location	Means of Verification	Frequency of measurement
Project start date:	01/01/2026 - 31/12/2026						
Project duration:	12 months						
Strategic Objective	Crisis-affected populations in Syria – including vulnerable communities, IDPs, returnees – experience improved resilience, social cohesion, and equitable access to basic services, livelihoods, and protection, through integrated, inclusive and accountable interventions.			All Requesting Members	All Governorates		
Outcome 1.	People affected by the Syrian Protracted Crises receive multi-sectorial (Food, WASH, Protection, Health, NFI's, CASH) necessary lifeline humanitarian support.						
Output 1.1	1.1 Crisis-affected individuals and communities benefit from strengthened protection, mental health and psychosocial support service and social cohesion initiatives	Indicator 1.1.1. No of community members actively participating in local protection or social cohesion	660 individuals	LWF in partnership with local partner Basmeh and Zeitooneh	Aleppo, Damascus	Attendance list, photos, initiative report	Quarterly
		Indicator 1.1.2 Number of individuals who reached by GBV prevention and empowerment activities	1,500 individuals	LWF	Aleppo, Damascus	Campaigns records	Quarterly
		Indicator 1.1.3 Number of individuals trained on MHPSS	20 individuals (staff and volunteers)	LWF	Aleppo, Damascus	Attendance list, photos	Quarterly
		Indicator 1.1.4 Number of professionals provided with training on PSEA	20 individuals (staff and volunteers)	LWF	Aleppo, Damascus	Attendance list, photos	Quarterly
		Indicator 1.1.5 Number of local partners provided with operational support	1	LWF	Aleppo, Damascus	LWF	Quarterly
Output 1.2	1.2 Crisis-affected populations access continuous, integrated, and quality primary and secondary health services, including maternal, child and reproductive health	Indicator 1.2.1. Number of people supported in accessing health care services	2,740 individuals	LWF in partnership with Al Taalouf	Aleppo, Damascus	Official patient registration logs, consultation records, and partner reports	Quarterly
		Indicator 1.2.2. Number of people supported in accessing health care services	2,400 individuals	LWF in partnership with Al Taalouf	Aleppo, Damascus	Official patient registration logs, consultation records, and partner reports	Quarterly
		Indicator 1.2.3. Number of local partners provided with operational support	1	LWF	Aleppo, Damascus	LWF report	Quarterly
		Indicator 1.2.4. # of people supported in accessing health care services	570	MECC	All Governorates	Patient records and prescriptions	Quarterly
		Indicator 1.2.5. # of patients referred and transitioned to local facilities	128	MECC	All Governorates	list with the number of patients referred to continue treatment at local facilities.	Quarterly
		Indicator 1.2.6. # of joint activities between humanitarian actors and local health structures (meetings)	4	MECC	All Governorates	coordination meetings	Quarterly
		Indicator 1.2.7. Number of primary healthcare consultations provided	#10,000	EPDC	Rural Damascus		
		Indicator 1.2.8. # of treatment courses delivered at health facilities (drug treatment for one disease, one medical procedure such as dressing, dialysis)	#4000	EPDC	Rural Damascus	patients' records	once
		Indicator 1.2.9. # of patients who received free laboratory tests	#1200	EPDC	Rural Damascus	patients' records	once
		Indicator 1.2.10. # of patients received health awareness training	#300	EPDC	Rural Damascus	on-site mentoring attendance sheet.	once
		Indicator 1.2.11. # of first aid kit that are received by the people who attend the health awareness training	#300	EPDC	Rural Damascus	Distribution List on-site mentoring	once
Output 1.3	1.3 Crisis-affected communities have improved access to safe and sufficient water and hygiene services	Indicator 1.3.1. # water pumping stations/water networks rehabilitated # pumping station solarized	2 1	HEKS/EPER Syria	Hama, Aleppo, Rural Damascus	-Completion Reports - Handing over reports - PDM Reports - Before/After Photos	Upon Completion
		Indicator 1.3.2. # individuals received a surprise soap, and improved hygiene practices	3000	HEKS/EPER Syria	Hama, Aleppo, Rural Damascus	- Distribution plan - Campaign Report - PDM report	Per Event / Final Total
		Indicator 1.3.3. Number of individuals accessing fresh and clean water	8000	NCA	Rural Damascus, Sweida	handover notes, completion report, post implementation survey	once complete
		Indicator 1.3.4. Number of individuals reached through GBV prevention and hygiene promotion awareness activities.	1375	NCA	Rural Damascus, Sweida	Attendance sheet and session report	Monthly
Output 1.4	1.4 Children access safe, inclusive and quality formal and non-formal education	Indicator 1.4.1. # of children (5-17 years, girls/boys) supported to enroll in non-formal education by literacy and numeracy classes	1800 children	FCA	Homs, Aleppo, Lattakia	1. Participants lists 2. Pre & Post test results 3. Examination results (if applicable) 4- Monitoring report 5- Accountability and feedback report 6- Activity report	Quarterly
		Indicator 1.4.2. # of children benefiting from classroom equipment with fuel and heaters	1800 children	FCA	Homs, Aleppo, Lattakia	1. Purchase and handover documents (GRNs) Pictures of the supplies Feedback from teachers and students Monitoring reports	Quarterly
		Indicator 1.4.3. # of children receiving school bags	1800 children	FCA	Homs, Aleppo, Lattakia	1. Purchase and handover documents (GRNs) Pictures of the supplies Feedback from teachers and students Monitoring reports	Quarterly
		Indicator 1.4.4. # of desks provided to schools	300	FCA	Homs, Aleppo, Lattakia	1. Completion of work certificates and handover documents (GRNs) 2. Pictures 4. Feedback from the students and school staff 5. after completion survey 6. project report 7- BoQs	Quarterly
		Indicator 1.4.5. # of schools or learning spaces provided with school kit(Hygiene, school and recreational kits)	6	FCA	Homs, Aleppo, Lattakia	1. Completion of work certificates and handover documents (GRNs) 2. Pictures 4. Feedback from the students and school staff 5. after completion survey 6. project report 7- BoQs	Quarterly
		Indicator 1.4.6. # of awareness campaigns conducted on Education for Peace	6	FCA	Homs, Aleppo, Lattakia	1. Attendance list 2. Awareness Campaign Report 3. Pre and post test 4. Photos 5. Monitoring report	Quarterly
		Indicator 1.4.7. # of education professionals trained	60	FCA	Homs, Aleppo, Lattakia	1.Pre and post test results 2.Training report 3. training evaluation report 4.Participants' list 5.Feedback from the students and school staff	Quarterly

		Indicator 1.4.8. #5 schools are rehabilitated providing access to education services to the local communities	5 schools	GOPA-DERD	Idlib, Homs, Daraa	BoQs Pre-Post pictures Certificate of completion Handover letters Rehabilitation report	Quarterly
		Indicator 1.4.9. #1310 vulnerable beneficiaries have access to education facilities		GOPA-DERD	Idlib, Homs, Daraa		
		Indicator 1.4.10. # of children enrolled (disaggregated by gender and age)	295	MECC	Damascus, Damascus rural, Homs.	school records and attendnce MECC monitoring visits	Monthly
		Indicator 1.4.11. # of children supported with tuition fees	295	MECC	Damascus, Damascus rural, Homs.	school records and attendnce MECC monitoring visits	Monthly
Output 1.5	1.5 Crisis-affected households receive multipurpose cash assistance and complementary support to meet their essential needs and strengthen household resilience	Indicator 1.5.1. # of HH reached through multipurpose cash	500	MECC	Damascus, Damascus rural	Distribuition sheets	Monthly
		Indicator 1.5.2. Number of households that received multipurpose cash grants	1375	NCA	Rural Damascus, Sweida	financial sercive provider list PDM	Quarterly
		Indicator 1.5.3. Number of households that received multipurpose cash grants	1375	NCA	Rural Damascus, Sweida	financial sercive provider list PDM	Quarterly
Output 1.6	1.6 Crisis-affected individuals benefit from rehabilitated communal buildings	Indicator 1.6.1. 1 bakery building rehabilitated. 1 new production line installed # Number of individuals that benefitted from access	59100	HEKS/EPER Syria	Hama, Aleppo, Rural Damascus	- Completion report - Before and after photos. - Progress reports - Handover document	before, during and after completion.
Output 1.7	1.7 Families with children under 5 years old and Pregnant and Lactating Women (PLWs) in Rural Damascus (Jaramana) demonstrate improved awareness and knowledge on malnutrition, its causes, prevention methods, and available services.	Indicator 1.7.1. # of patients receiving individual counselling	#1000	EPDC	Rural Damascus	Patients Records	once
Outcome 2.	To strengthen sustainable livelihoods and economic resilience of IDPs, returnees, and host communities by increasing income generation and promoting inclusive access to climate-adaptive and resilient livelihood opportunities, with a particular focus on women, youth, and other marginalized groups.						
Output 2.1	2.1 Crisis-affected households, particularly smallholder farmers, restore and enhance agricultural production and income	Indicator 2.1.1. 100 individuals benefited from cash for work.	500	HEKS/EPER Syria	Hama, Aleppo, Rural Damascus	- Beneficiary list - Signed daily attendance sheets. - Cash transfer record. - Progress reports with photos. - PDM report.	During the CFW implementation
		Indicator 2.1.2. 50 farmers received agricultural inputs	250	HEKS/EPER Syria	Hama, Aleppo, Rural Damascus	- Beneficiary list - Distribution record - Pictorial evidence. - PDM report	Upon completion of the distribution
		Indicator 2.1.3. # 3 of units established and operational.	150	HEKS/EPER Syria	Hama, Aleppo, Rural Damascus	- Beneficiary list - Distribution record - Pictorial evidence. - PDM report - Handover document	Upon completion of rehabilitation and setup. Final verification when operational.
		Indicator 2.1.4. Number of households receiving agricultural inputs	25000%	NCA	Rural Damascus, Sweida	distribution sheet	Monthly
		Indicator 2.1.5. Number of households receiving agricultural inputs	250	NCA	Rural Damascus, Sweida	distribution sheet	Monthly
		Indicator 2.1.6. # of small scale farmers are trained on water harvest, and smart cultivation methods	150	FCA	Homs, Aleppo, Lattakia	• Training attendance lists • Training reports • Pre- & post training reports	Quarterly
		Indicator 2.1.7. # of targeted small scale farmers are provided with agricultural grants	150	FCA	Homs, Aleppo, Lattakia	• Distribution lists and report • Project report	Quarterly
Output 2.2	2.2 Targeted individuals, strengthen economic self-reliance through access to foundational business skills training, productive assets, grants and community-based food processing units	Indicator 2.2.1. # of beneficiaries enrolled with business startup courses	100	MECC	Damascus, Damascus rural	Training attendance sheets, photos	Monthly
		Indicator 2.2.2. # grants distributed	75	MECC	Damascus, Damascus rural	photos, grant receipts sheets	Monthly
		Indicator 2.2.3. # of individuals have completed foundational business skills training	# 100	EPDC	Rural Damascus	Attendance Sheet	once
		Indicator 2.2.4. # of individuals who received grants	# 95	EPDC	Rural Damascus	Distribution Records	Twice
Output 2.3	2.3 Crisis-affected individuals access short- term employment and income contributing to improved community waste management	Indicator 2.3.1. # of households received a monthly salary	#132	EPDC	Rural Damascus	Salary distribution records	monthly
		Indicator 2.3.2. # of male and female jobs created during waste collection and disposal activities	#132	EPDC	Rural Damascus	Employment contracts	once
		Indicator 2.3.3. % of male and female satisfied with the value of the salary obtained	85%	EPDC	Rural Damascus	Satisfaction survey	Twice
		Indicator 2.3.4. # of HHs from IDPs and the host population reached through emergency solid-waste management	30,000	EPDC	Rural Damascus	KII	once
		Indicator 2.3.5. # Cubic meters of solid waste removed	15,000	EPDC	Rural Damascus	tracker of monthly disposal of solid waste	monthly
Outcome 3.	Amid the urgent need for peace in Syria, communities contribute to reduced tensions and strengthened social cohesion by actively engaging in inclusive protection initiatives, climate-resilient and environmentally safe livelihood practices, disability-inclusive policies, and accessible accountability mechanisms that promote dialogue, trust, and peaceful coexistence among diverse groups.						
Output 3.1	3.1 Communities are empowered to engage in inclusive protection and social cohesion initiatives that strengthen trust, participation, and peaceful coexistence	Indicator 3.1.1. # of community members actively participating in local protection or social cohesion initiatives	300	FCA	Homs, Aleppo, Lattakia	1. Minutes of meetings 2. CLI plans produced 3. Attendance sheet	Quarterly
		Indicator 3.1.2. # of Community-based Initiatives designed and implemented in the targeted areas	6	FCA	Homs, Aleppo, Lattakia	• Progress reports, M&E reports, and Spot checks	Quarterly
		Indicator 3.1.3. # 5 social cohesion and peacebuilding workshops/trainings conducted	5 trainings	GOPA-DERD	Idlib, Homs, Daraa	Beneficiaries Lists Photos Attendance Sheets	Quarterly
		Indicator 3.1.4. social cohesion and peacebuilding activities conducted	25 social cohesion and peacebuilding activities	GOPA-DERD	Idlib, Homs, Daraa	Beneficiaries Lists Photos	Quarterly
		Indicator 3.1.5. # 5 community based initiatives focusing on social cohesion and peacebuilding conducted	5 community based initiatives	GOPA-DERD	Idlib, Homs, Daraa	Beneficiaries Lists Photos	Quarterly
		Indicator 3.1.6. # of beneficiaries reporting improved trust and collaboration within communities	45	MECC	All Governorates	Baseline/endline	Monthly
Output 3.2	3.2 Disability-inclusive knowledge and practices are strengthened through evidenced research and awareness	Indicator 3.2.1. # of studies related to disability inclusion on national level	1	FCA	All Governorates	study produced	Quarterly
Output 3.3	3.3 Functional, accessible, and safe feedback and complaint mechanisms are established and maintained in all intervention sites	Indicator 3.3.1. Number of feedback and complaints Number of feedback and complaints followed up	N/A	All Requesting Members	All Governorates	Complaint logbook / feedback registry (digital or paper) CRM (complaint Response Mechanism) database	Monthly
